

Aretha Technologies Line-Card (Displayed by Alphabetical order)

Partner Name	Country	Products	Website
 CAPTRONIC SYSTEMS <small>A SAFRAN COMPANY</small>		Leader in provision of custom designed Automated Testing Systems, Hardware in Loop Simulation Systems, RF Test Systems, Data Acquisition and Control Systems	www.captronicsystems.com
 DE VRIES SCIENTIFIC		Telemetry simulators, airborne antenna systems.	www.devriesscientific.com
 Electromagnetic Technologies Industries, Inc. (ETI)		10 MHz to 67 GHz Active & Passive RF components & subsystems: Multi-Beam Antennas, Beam-Forming Networks UAV's & AIRBORNE DF Antenna System Power Dividers, Phase Shifters, Directional Couplers, Switching & Distributed Networks, Mixer & Modulating Devices, Mono-pulse Comparators, Filters & Multiplexers	www.etiworld.com
 HYDRO GROUP		Sub-sea & harsh environment, cables, electrical and optical connectors, penetrators, cable assemblies & systems	www.hydrogroupplc.com
 MICROWAVE INNOVATIONS		Telemetry transmitters for Munitions, Airborne and Space Launchers	www.mi-telemetry.com
 NEXEYA FRANCE		Flight Termination Systems, optronics and radar systems, Turn-key Solutions for Test Centres, Software tools for recording, post-processing display & debriefing missions	www.hensoldt.fr
 PMCC (ASIC Design Services)		ASIC/IC fabless design services SERDES, Optical Transceivers, Modulator Drivers, ADC, DAC, TIA and digital cores using 28nm-350nm CMOS and 130nm/180nm SiGe.	www.pacificmicrochip.com
 POLYCONTACT Industries		Radomes, Antennas reflectors Radar Protective shrouds, Composite Materials assemblies	www.polycontact-industrie.fr

 RFPA		RF power amplifiers, LNA, BB Amplifiers, Optical Links (RFoF)	www.rfpa.com
 Safran Data Systems		Telemetry Receivers & recorders, Best Source Selectors, Telemetry Transmitters, Flight Termination Receivers. On-Board & Ground Data Acquisition Systems, Earth Observation Antennas and Ground Systems; Satcom Frequency converters, Mission-data management and space communications services and ATE system	https://www.safran-electronics-defense.com/data-systems
 GET Electronique		Obsolescence management, electronic boards cloning, harness & wires testers	www.get-electronique.fr
 WORK Microwave GmbH		Radar synthesizers & Front-End, Radar transponders, ECM modules, RF selectors, Medium-power amplifiers and drivers up to 200 watts, SDR Platforms, GNSS Simulators, Frequency Converters, Modems / Modulators / Demodulators, Redundancy Systems 1:1 / N:1, Microwave Sensors	www.work-microwave.com
 Chengdu Zysen Technology Co., Ltd.		Fixed Attenuators, Phase Shifters, Terminations, Isolators, Circulators, LNA, Medium power amplifiers, Filters, W/G components, Coaxial & PIN Diode Switches	www.zysentechnology.com
